A world class center in providing globally relevant education, FRI (Deemed) University is acclaimed for quality academic programs, outstanding faculty, exceptional heritage of knowledge and repositories and alliance with reputed national and international institutions to meet the international standards and to cater present-day challenges of forestry research and education.

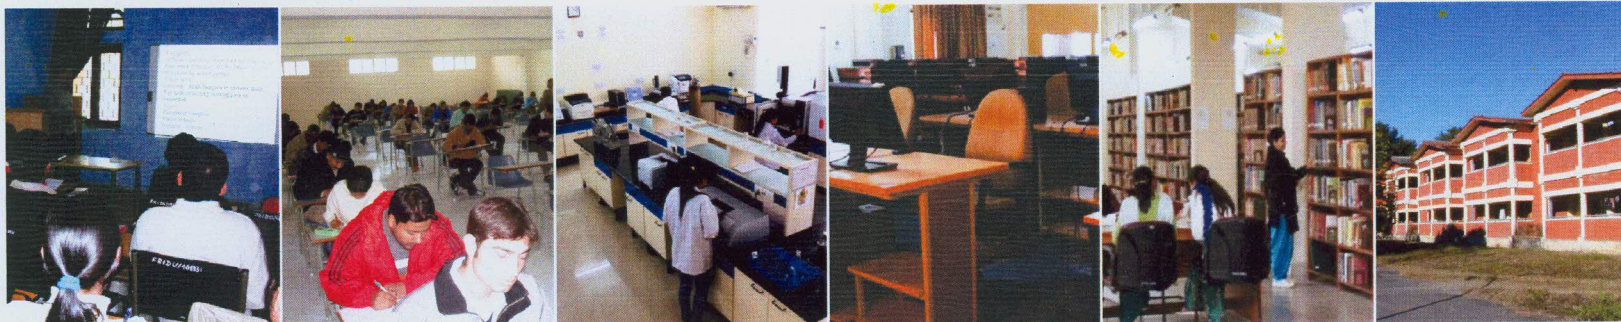

The rapid pace of development in the country has raised the awareness leading the greater expectations of the people. Institutions of higher learning are instrumental in providing equality of opportunities, which is the essence of participatory democracy. The Indian Council of Forestry Research and Education (ICFRE) have taken important steps in re-vitalization of forestry education in India. FRI University has grown remarkably to distinguish itself as a premier destination for scientific and technological studies and cutting-edge research in the field of forestry. FRI Deemed University has implemented the Choice Based Credit System in its Curriculum, which is regularly revised and updated to keep it at par with international standards. - **Dr. S. C. Gairola**, Chancellor, FRI (Deemed) University and Director General, ICFRE

FRI (Deemed) University is committed to promote all round development of the students and to contribute significantly to the sphere of knowledge. We aspire to become the first-rank forestry based Research University in the world with focused action plan to meet the challenges of forestry and related areas. - **Dr. Savita**, Vice-Chancellor, FRI (Deemed) University and Director, FRI
