

CELEBRATION OF WILDLIFE WEEK 2020

(2nd to 8th OCTOBER 2020)

Online Quiz Competition under "Prakriti" programme on 7th October 2020

Wildlife Week is celebrated every year in India in the first week of October. Wildlife Week was conceptualized in 1952 with the overall aim of raising awareness among the masses safeguarding wildlife and their habitat through critical action. Throughout the week, events and campaigns are organized to educate people about animal life, their habitat and the conservation threats being faced by them.

Forest Research Institute, Dehradun (Uttarakhand) is celebrating Wildlife Week 2020. An online quiz competition is being organized for students of Kendriya and Navodaya Vidyalayas on 7th October 2020 under "Prakriti" Programme. Students of classes 8th to 12th are eligible to participate. Questions related to wild life and their habitat and the conservation issues facing by them will be asked and answers will have to be given by participants within the stipulated time frame.

Director, Forest Research Institute, Dehradun (Uttarakhand) invites participation from Kendriya and Navodaya Vidyalayas students through their Principals. The Principals of all Kendriya and Navodaya Vidyalayas are requested to encourage their students for participation in above Quiz competition **(Only 02 students per School)**. Winners will be suitably awarded.

Schools are requested to submit following information latest by **30th September 2020** via email to:
<headext@icfre.org>:

1. Name of Student:
2. Name of Father:
3. Date of Birth:
