Proprietary Articles Certificate

To Whom it May Concern

Intergraph Corporation, having a place of business at 305 Intergraph Way, Madison, Alabama, 35758, USA ("Intergraph") is the owner, developer and manufacturer of the following software products within its Hexagon Geospatial division:

- Geomedia Suite of products and solutions
- ImageStation Suite of products and solutions

Additionally, the commercial business operations of ERDAS Inc. ("ERDAS"), including the ERDAS premiere geospatial imaging software and associated intellectual property have been transferred to Intergraph. To that effect Intergraph is now the owner, developer and manufacturer of the following ERDAS software products:

- ERDAS IMAGINE Suite of products and solutions
- ERDAS LPS (Leica Photogrammetry Suite) of products and solutions ERDAS Apollo server Suite of products and solutions
- ERDAS ER Mapper Professional
- ECW Compressor and ImageIntegration Framework LUCIAD products
- M.App Enterprise

Furthermore, the commercial business operations of Google L.L.C. ("Google"), including the Google premiere geospatial imaging software and associated intellectual property have been transferred to Intergraph. To that effect Intergraph is now the owner, developer and manufacturer of the following Google software products:

- GEEP
- Artemis

We would like to confirm that Intergraph SG&I India Pvt. Ltd., (formerly known as Leica Geosystems Geospatial Imaging India Pvt. Ltd.) is the exclusive distributor of Intergraph in India, Bangladesh, Nepal, Sri Lanka, and Bhutan (the "Territory") for the Hexagon Geospatial divisions products as listed above, including the ERDAS and GOOGLE products. Intergraph SG&I India is also a related group company of Intergraph (both Intergraph SG&I India Pvt. Ltd. and Intergraph Corporation are wholly owned subsidiaries of Hexagon AB).

As exclusive (sole) distributor for all Intergraph's Hexagon Geospatial division products (as listed above and including the ERDAS products) in the Territory, Intergraph SG&I India is authorized to market, sell, support and configure Intergraph's software solutions in the Territory, and to appoint Resellers in the Territory.

Duly authorized to sign this Proprietary Article Certificate for and on behalf of: Intergraph Corporation
