Instructions for Online Bid Submission

This tender document has been published on the Central Public Procurement Portal ([URL:https://eprocure.gov.in/eprocure/app](https://eprocure.gov.in/eprocure/app)) & Institute website <http://fri.icfre.gov.in/tender/>. The bidders are required to submit soft copies of their bids electronically on the CPP Portal, using valid Digital Signature Certificates. The instructions given below are meant to assist the bidders in registering on the CPP Portal, prepare their bids in accordance with the requirements and submitting their bids online on the CPP Portal.

More information useful for submitting online bids on the CPP Portal may be obtained at: <https://eprocure.gov.in/eprocure/app>.

REGISTRATION

1. Bidders are required to enroll on the e-Procurement module of the Central Public Procurement Portal ([URL:http://eprocure.gov.in/eprocure/app](http://eprocure.gov.in/eprocure/app)) by clicking on the link "Click here to Enroll". Enrolment on the CPP Portal is free of charge.
2. As part of the enrolment process, the bidders will be required to choose a unique username and assign a password for their accounts.
3. Bidders are advised to register their valid email address and mobile numbers as part of the registration process. These would be used for any communication from the CPP Portal.
4. Upon enrolment, the bidders will be required to register their valid Digital Signature Certificate (Class II or Class III Certificates with signing key usage) issued by any Certifying Authority recognized by CCA India (e.g. Sify / TCS / nCode / eMudhra etc.), with their profile.
5. Only one valid DSC should be registered by a bidder. Please note that the bidders are responsible to ensure that they do not lend their DSCs to others which may lead to misuse.
6. Bidder then logs in to the site through the secured log-in by entering their user ID / password and the password of the DSC / eToken.
7. The CPP Portal also has user manual with detailed guidelines on enrollment and participation in the online bidding process. Any queries related to process of online bids or queries related to CPP Portal may be directed to the 24x7 CPP Portal Helpdesk.
The Institute will not be responsible for any type of technical issue regarding uploading of Tender on website.

SEARCHING FOR TENDER DOCUMENTS

1. There are various search options built in the CPP Portal, to facilitate bidders to search active tenders by several parameters. These parameters could include Tender ID, organization name, location, date, value, etc. There is also an option of advanced search for tenders, wherein the bidders may combine a number of search parameters such as organization name, form of contract, location, date, other keywords etc. to search for a tender published on the CPP Portal.
2. Once the bidders have selected the tenders they are interested in, they may download the required documents / tender schedules. These tenders can be moved to the respective 'My Tenders' folder. This would enable the CPP Portal to intimate the bidders through SMS / e-mail in case there is any corrigendum issued to the tender document.
3. The bidder should make a note of the unique Tender ID assigned to each tender, in case they want to obtain any clarification / help from the Helpdesk.

PREPARATION OF BIDS

1. Bidder should take into account any corrigendum/clarifications published on the tender document before submitting their bids.
2. Please go through the tender advertisement and the tender document carefully to understand the documents required to be submitted as part of the bid. Please note the number of covers in which the bid documents have to be submitted, the number of documents - including the names and content of each of the document that need to be submitted. Any deviations from these may lead to rejection of the bid.
3. Bidder, in advance, should get ready the bid documents to be submitted as indicated in the tender document / schedule and generally, they can be in PDF / XLS formats. Bid documents may be scanned with 100 dpi with black and white option.
4. To avoid the time and effort required in uploading the same set of standard documents which are required to be submitted as a part of every bid, a provision of uploading such standard documents (e.g. PAN card copy, annual reports, auditor certificates etc.) has been provided to the bidders. Bidders can use "My Space" area available to them to upload

such documents. These documents may be directly submitted from the “My Space” area while submitting a bid, and need not be uploaded again and again. This will lead to a reduction in the time required for bid submission process.

SUBMISSION OF BIDS

1. Bidder should log into the site well in advance for bid submission so that he/she upload the bid in time i.e. on or before the bid submission time. Bidder will be responsible for any delay due to other issues.
2. The bidder has to digitally sign and upload the required bid documents one by one as indicated in the tender document.
3. Bidder should submit the Tender Fee/ EMD as specified in the tender. The hard copy should be posted/couriered given in person to the Tender Inviting Authority, within bid submission due date and time as indicated in the tender. Scanned copy of the same should be uploaded as part of the offer. The bidder has to select the payment option as offline to pay the Tender FEE/ EMD as applicable and enter details of the same. **Please note that the bidders shall be qualified only after acceptance of Hard copy of EMD (if applicable).**
4. Financial Bids can be submitted in **BOQ_XXXX.xls format** (as given in the portal), the rates offered should be entered in the allotted space only and uploaded after filling the relevant columns. The Priced-bid/BOQ template shall not be modified / replaced by the bidder; else the bid submitted is liable to be rejected for the tender.
5. The uploaded tender documents become readable only after the tender opening by the authorized bid openers.
6. Upon the successful and timely submission of bids, the portal will give a successful bid submission message & a bid summary will be displayed with the bid no. and the date & time of submission of the bid with all other relevant details.
7. Kindly add scanned PDF of all relevant documents in a single PDF file of compliance sheet.
8. Bidders shall submit their bids through online e-tendering system to the Tender Inviting Authority (TIA) well before the bid submission end date & time (as per Server System Clock). The TIA will not be held responsible for any sort of delay or the difficulties faced during the submission of bids online by the bidders at the eleventh hour.

ASSISTANCE TO BIDDERS

1. Any queries relating to the process of online bid submission or queries relating to CPP Portal in general may be directed to the 24x7 CPP Portal Helpdesk. The contact number for the helpdesk is 0120-4200462, 0120-4001002, 91-8826246593.

Compliance of Restrictions under Rule 144 (xi) of GFR 2017:

Restrictions on procurement from a bidder of a country which shares a land border with India

- I. Any bidder from a country which shares a land border with India will be eligible to bid in this tender only if the bidder is registered with the Competent Authority.
- II. "Bidder" (Seller / Service Provider) means any person or firm or company, including any member of a consortium or joint venture (that is an association of several persons, or firms or companies), every artificial juridical person not falling in any of the descriptions of bidders stated hereinbefore, including any agency branch or office controlled by such person, participating in a procurement process.
- III. "Bidder from a country which shares a land border with India" for the purpose of this Order means: -
 - a. An entity incorporated, established, or registered in such a country; or
 - b. A subsidiary of an entity incorporated, established, or registered in such a country; or
 - c. An entity substantially controlled through entities incorporated, established, or registered in such a country; or
 - d. An entity whose beneficial owner is situated in such a country; or
 - e. An Indian (or other) agent of such an entity; or
 - f. A natural person who is a citizen of such a country; or
 - g. A consortium or joint venture where any member of the consortium or joint venture falls under any of the above
- IV. The beneficial owner for the purpose of (iii) above will be as under:
 1. In case of a company or Limited Liability Partnership, the beneficial owner is the natural person(s), who, whether acting alone or together, or through one or more juridical person, has a controlling ownership interest or who exercises control through other means. Explanation—
 - a. "Controlling ownership interest" means ownership of or entitlement to more than twenty-five per cent. of shares or capital or profits of the company;
 - b. "Control" shall include the right to appoint majority of the directors or to control the management or policy decisions including by virtue of their shareholding or management rights or shareholders agreements or voting agreements;
 2. In case of a partnership firm, the beneficial owner is the natural person(s) who, whether acting alone or together, or through one or more juridical person, has ownership of entitlement to more than fifteen percent of capital or profits of the partnership;
 3. In case of an unincorporated association or body of individuals, beneficial owner is the natural person(s), who, whether acting alone or together, or through one or more juridical person, has ownership of or entitlement to more than fifteen percent of the property or capital or profits of such association or body of individuals;
 4. Where no natural person is identified under (1) or (2) or (3) above, the beneficial owner is the relevant natural person who holds the position of senior managing official;
 5. In case of a trust, the identification of beneficial owner(s) shall include identification of the author of the trust, the trustee, the beneficiaries with fifteen percent or more interest in the trust and any other natural person exercising ultimate effective control over the trust through a chain of control or ownership.
- V. An Agent is a person employed to do any act for another, or to represent another in dealings with third person.
- VI. The successful bidder shall not be allowed to sub-contract works to any contractor from a country which shares a land border with India unless such contractor is registered with the Competent Authority. Any false declaration and non-compliance of the above would be a ground for immediate termination of the contract and further legal action in accordance with the laws.

Purchase Preference under 'Make in India' Policy

Note:- Please note that in pursuance of office memorandum No. F.4/1/2022-PPD(pt), Ministry of finance dated 21.06.2022, Relaxation on Global tender enquiry (GTE) under Rule 161 (iv) of GFR 2017, shall be applicable in the bidding process).

Under 'Make in India' policy of Government of India, Purchase Preference will be given to eligible bidders as per Public Procurement (Preference to Make in India), Order 2017 issued vide order No. P-45021/2/2017-B.E-II dated 15.06.2017 (subsequently revised vide orders dated 28.05.2018, 29.05.2019 and 04.06.2020) of Department of Industrial Policy and Promotion, Ministry of Commerce and Industry. Bidders are required to submit necessary certificates & documents as detailed in the above referred GOI Order in support of their claim to avail benefit against this order.

Note: The bidders who claim Purchase Preference under 'Make in India' Policy shall fulfil all requirements of tender document applicable for Indigenous Manufacturer.

'Local Content' means the amount of value added in India which shall, unless otherwise prescribed by the Nodal Ministry, be the total value of the item procured (excluding net domestic indirect taxes) minus the value of imported content in the item (including all customs duties) as a proportion of the total value, in percent.

Local Supplier:

'Class-I Local Supplier' means a supplier whose product offered for procurement has local content equal to or more than 50%.

'Class-II Local Supplier' means a supplier whose product offered for procurement has local content more than 20% but less than 50%.

'Non-Local Supplier' means a supplier whose product offered for procurement has local content less than or equal to 20%.

Margin of Purchase Preference: For being eligible for purchase preference under this clause, the Margin of purchase preference shall be 20% (i.e. L1 + 20% band).

Preference: Purchase Preference shall be given to 'Class-I Local Supplier' only in the manner specified here under:

A. In the procurement of Goods which are divisible in nature:

i. If L1 is from a 'Class-I local supplier', the contract for full quantity will be awarded to L1.

ii. If L1 is not a 'Class-I local supplier', 50% of the order quantity shall be awarded to L1. Thereafter, the lowest bidder among the 'Class-I local supplier' will be invited to match the L1 price for the remaining 50% quantity subject to the Class-I local supplier's quoted price falling within the margin of purchase preference, and contract for that quantity shall be awarded to such 'Class-I local supplier' subject to matching the L1 price. In case such lowest eligible 'Class-I local supplier' fails to match the L1 price or accepts less than the offered quantity, the next higher 'Class-I local supplier' within the margin of purchase preference shall be invited to match the L1 price for remaining quantity and so on, and contract shall be awarded accordingly. In case some quantity is still left uncovered on 'Class-I local supplier', then such balance quantity may also be ordered on the L1 bidder.

B. In the procurement of Goods which are not divisible in nature:

i. If L1 is 'Class-I local supplier', the contract for full quantity will be awarded to L1.

ii. If L1 is not 'Class-I local supplier', the lowest bidder among the 'Class-I local supplier' will be invited to match the L1 price subject to the Class-I local supplier's quoted price falling within the margin of purchase preference, and the contract shall be awarded to such local supplier subject to matching the L1 price.

iii. In case such lowest eligible 'Class-I local supplier' fails to match the L1, the 'Class-I local supplier' with the next higher bid within the margin of purchase preference shall be invited to match the L1 price and so on and contract shall be awarded accordingly. In case none of the local suppliers within the margin of purchase preference matches the L1 price, then the contract may be awarded to the L1 bidder.

C. 'Class-II local supplier' will not get purchase preference.

Verification of local content:

- i. The 'Class-I local supplier' / 'Class-II local supplier' at the time of bidding shall be required to indicate percentage of Local Content and provide self-certification that the items offered meet the local content required for Class-I local supplier' / 'Class-II local supplier' and shall give the details of the location(s) at which the local value addition is made.
- ii. False declarations will attract banning of business of the bidder or its successor(s) for a minimum period of three years along with any other penal action as may be deemed fit including rejection of the offer, forfeiture of all dues including EMD/ Security Deposit / banning of the firm
- iii. A supplier who has been debarred by any procuring entity for violation of this order shall not be eligible for preference for procurement for the duration of debarment. It will be the bidder' s responsibility to provide self-certification, clearly stating that the bidder is not serving debarment from any procuring entity for the tendered item at the time of tendering.

Exemption of small purchases: Procurements where the estimated value to be procured is less than Rs 5 (Five) Lakhs shall be exempt from above.

Note: The bidders who claim Purchase Preference under 'Make in India' Policy shall fulfill all requirements of tender document applicable for Indigenous Manufacturer.

Name of Item: High Performance Liquid Chromatography (HPLC)**1. Quaternary HPLC Pump: 01 No.**

- Solvent delivery - Quaternary solvent delivery system
- Flow rate range: 0.001 – 5.000 ml/min or more in 0.001ml/min increments
- Effective delay volume should be $\leq 1000 \mu\text{L}$ independent of backpressure
- Flow rate accuracy $\pm 1\%$ of the set flow rate
- Flow rate precision $\pm 0.075\%$ RSD or higher precision.
- Operating pressure: 65 MPa or more
- Two or more fluidic path
- Compressibility compensation automatic and continuous
- Reservoir tray
- Ten or more prefixed gradient curves
- Composition precision: 0.15% RSD
- Leak sensor and safe leak handling
- pH range: 1 to 12.5

2. Auto-sampler Injection:

- Able to accommodate 90 vials or more, configured in carousels
- Sample injection volume should be variable between 0.1 μl to 100 μl .
- Inbuilt Injector needle wash should be integral, active and programmable
- Near zero carryover performance (Less than or equal to 0.002%).
- Injection volume setting minimum should be 0.1 μl
- Auto addition and auto dilution feature
- Injection volume accuracy must be below 1%.
- Injection precision should be less than 1% RSD.
- Injection loop : 50ul standard and spare loop up to 100ul
- Automated IQ/OQ/PQ
- Injector linearity should be > 0.999

3. Column Oven:

- Temperature-control method: Forced-air circulation / electronic cooling
- Temperature setting range: Ambient + 5°C to 65°C in steps of 1°C
- Temperature accuracy: $\pm 1^\circ\text{C}$
- The oven compartment should have provision for housing one or more columns of 30 cm length
- It should have option for the record of column information like number of injections and composition of last mobile phase used through column management device

4. In-built Vacuum Degasser -01 No.

- Online degassing unit.
- Number of channel: 4 Channels

5. Photodiode Array Detector: 01 No.

- Light source : D2 and/or tungsten lamp
- Wavelength range: 190 - 800 nm.
- Number of diodes; 512 or more.
- Wavelength accuracy: $\pm 1 \text{ nm}$

- Band width : 1.2 nm
- Noise level: $\leq 1 \times 10^{-5}$ AU at 254 nm.
- Drift: $\leq 1 \times 10^{-3}$ AU/Hr at 254 nm.
- Optical/digital resolution: 1.2 nm or better
- Linearity range: < 5% at 2 AU (ASTM method).
- Peak purity and lamp optimization software for low noise performance in uv-visible range without lamp change

6. Refractive Index Detector

- Measurement range: 7.0×10^{-9} to 5.0×10^{-4} RIU
- Flow rate: 0.1 to 10.0 ml/min.
- Cell volume: minimum 10 ul
- Cell pressure: 100 psi or better for the safety of flow cell
- Linear dynamic range: <5% over $\pm 5.0 \times 10^{-4}$ RIU
- Temperature control: Internal oven: 30 - 55°C, $\pm 0.5^\circ\text{C}$, settable in 1°C increments
- Refractive index range: 1.00 to 1.75 RIU
- Noise: $\leq 1.5 \times 10^{-9}$ RIU mode
- Drift: $\leq 2.0 \times 10^{-7}$ RIU/hr

7. Chromatography Manager Software:

(Quoted Model and make to be mentioned)

- Chromatography software to control complete HPLC system with PDA and RI detector- latest version of software should be provided with embedded oracle database
- User accounts Sets up access rights and passwords
- Full 64 bit architecture
