Sub: Quotation for software upgradation of BRUKER FTNIR Model MPA.

Dear Sir,

We are pleased to send our quotation for the below item:

Sr. No.	Part No.	Description	Qty	Total Ex- works Price In Euro
1	O/MAJ2__UPU	<p>Upgrade of OPUS licenses which are one major version number below the latest OPUS version released for this spectrometer configuration.</p> <p>Only for Universities and schools.</p> <p>Includes all OPUS software packages and Bruker spectral libraries that are registered in the original license.</p> <p>Excludes spectral libraries that are dongle-protected (from vendors other than Bruker)</p> <p>Example: if the latest released OPUS version is X.9, all OPUS licenses with major version number (X-2) are qualified for this upgrade and will be upgraded to version X.9.</p> <p>Note: software upgrades require compatible versions of operating system and firmware, as well as compatible hardware. Bruker assumes no liability for such compatibility, except if it is approved by Bruker service in advance. For upgrade of validated spectrometers, additional certified service and a corresponding validation manual S010/xxx are mandatory. In general, it is highly recommended that software upgrades are carried out by Bruker certified service technicians.</p> <p>Note: 32 Bit Microsoft Office versions are not compatible with OPUS and must not be installed on the same computer. Bruker does therefore take no liability for this unsupported software combination.</p>	01	5395.00
