

Date: 24th September 2024

Venue: Forest Research Institute Campus

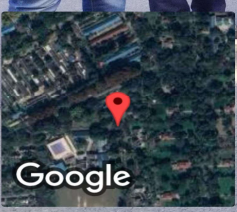

As part of the nationwide "Swachta Hi Seva-2024" campaign, a program titled **"Swachta by Janbhagidari"** was successfully organized at the Forest Research Institute (Deemed to be University) on 24th September 2024. The initiative aimed at promoting cleanliness and sustainable practices among the campus residents. A total of 80 students participated in the program, actively engaging with the residents of the Forest Research Institute to encourage their involvement in maintaining a clean and eco-friendly environment in different places of FRI Campus including Lauri Road, Rodger Road, Trevor Road.

Key Highlights of the Program:

- **Cleanliness Awareness Drive:** Students led an awareness campaign on the importance of maintaining cleanliness within the campus and residential areas to ensure a clean and green environment.
- **Waste Segregation and Management:** Students informed the residents the significance of segregating waste at the source into wet waste and dry waste .
- **Plastic-Free Campus Initiative:** Students urges to residents to reduce plastic and replace it with biodegradable paper bag, cloth bag, etc
- **Promotion of Sustainable Practices – Kitchen Gardens:** Students also encouraged the Residents to adopt **kitchen garden practices**, where kitchen waste is utilized to produce organic manure..
- **Awareness on Health and Hygiene:** The students also highlighted the direct link between cleanliness and public health. They emphasized the need to maintain personal and communal hygiene to prevent diseases and infections.
